

We exist to IGNITE students with Jesus' LOVE!

ACCEPTING high school students exactly where they are in life, we share Jesus LOVE through relationships in COMMUNITY, growing students into WORSHIP addicts who spread His love through SERVICE everywhere they go.

Ignition – The Shift

42 They devoted themselves to the apostles' teaching and to the fellowship, to the breaking of bread and to prayer. **43** Everyone was filled with awe, and many wonders and miraculous signs were done by the apostles. **44** All the believers were together and had everything in common. **45** Selling their possessions and goods, they gave to anyone as he had need. **46** Every day they continued to meet together in the temple courts. They broke bread in their homes and ate together with glad and sincere hearts, **47** praising God and enjoying the favor of all the people. And the Lord added to their number daily those who were being saved. (ACTS 2:42-47)

Be DEVOTED to teachings, fellowship, food and prayer!

We need to EXPECT God to show us what He can do!

SHARING is caring!

Sit back, PRAISE God and see people come to Him!

Small Groups – Freshman&Junior - Sophomore&Senior

Life outside and away from the Small Group Community really SUCKS!

What if we SHARED Jesus' LOVE through relationships in COMMUNITY?

Table Talk☺ - Name _____

TONIGHT you're gonna be movin...keep your paper!

SO...exchange names! What is your BIGGEST pet peeve?

Tell everyone something weird or unusual about your family.

THINK...what makes your family so special to you? I know every family isn't perfect but it's still your family and you are loyal to them. Right?

People are totally DEVOTED to their family, friends, homework, sports, REACH, food, lady friend or guy friend...what are you devoted to and why?

The Bible, do you receive it, retain it & act on its principles? Why - why not?

Why are these important, teaching, fellowship, eating and prayer?

When you come to Ignition or church, do you expect God to show you anything amazing? What are your expectations?

Speakin of amazing, have you seen Inception? What is your craziest dream?

Back to expectations, have you ever expected students in Ignition to help with your needs? If your house burnt down, who would be the first to help?

What does sacrifice mean to you?

When is the last time you have told someone at school about Jesus' love?

How would your heart and campus change if you prayed with other "followers of Christ" before, during and after school?

What do you thank God for? Who do you give glory to more in your life...God or yourself? What can you give Him glory for right now?

Who in your life needs Jesus?

Let's devote, expect, share and praise this week and see how life changes!
